## SPECIAL OFFER TO SEEDSMEN ONLY of CARTER - THORBURN HIGH GRADE SEEDS.

We had placed our order for seeds before buying the J. M. Thorburn & Co. business and in taking over the Thorburn business we assumed their growing contracts which leaves us with a large surplus stock. Below is a partial list, but we will be able to fill orders for nearly all varieties at reasonable prices.

These seeds are offered subject to previous sale. Terms, 5% 10 days, net 30 days.
